

Year 13 A Level and BTEC Results 2025

Brentside High School students have once again achieved **outstanding** results, surpassing last year's impressive performance (which placed Brentside in the top 15% nationally for A Levels, and in the top 5% and 16% nationally for Level 2 and Level 3 BTECs respectively,) in a number of key measures.

We proudly report that over **75% of students** achieved **at least one top grade at A*/A or Distinction*/Distinction** (including the Extended Project Qualification). Even more impressively, **92%** of students achieved **at least one grade at A*-B or Distinction*-Merit** (including EPQ). **A*-A grades** sit at **29 %** and A*-B grades at **58%**, reflecting exceptional academic strength across subjects. In vocational qualifications, the success is equally striking: **81% of all BTEC grades** were Distinction*/Distinction, and a staggering **99%** fell within the Distinction* to Merit range. These results showcase the breadth and depth of excellence across all pathways.

Brentside's students are at the heart of its success. Their exceptional outcomes are a direct result of their relentless hard work, passion for learning, and commitment to excellence. These grades are not accidental; they reflect the disciplined routines and high aspirations our students bring to school every day. Behind every achievement is a story of determination, supported by strong teaching, meaningful student-teacher relationships, and the unwavering encouragement of families and staff. Every grade earned is a powerful testament to the belief our students have in themselves and the belief we have in them.

"This year's results reflect the extraordinary commitment and maturity of our students. Whether pursuing A Levels or BTECs, they have embraced every challenge and worked tirelessly to achieve their goals. What stands out most is their genuine curiosity, drive, and desire to make a difference beyond Brentside. They leave us not just with outstanding grades, but with the confidence and character to thrive in the next stage of their journeys."

Hider Mahdi, Assistant Headteacher (Sixth Form)

"Our fantastic students have achieved superb results this year, clearly demonstrating that their determination, resilience, and ambition have truly paid off. I am deeply grateful to our families for the unwavering support they've shown throughout this journey, and to our staff whose dedication and belief in each student has helped to make this success possible."

Charlotte Hames, Headteacher

Examples of the many **individual success stories** are: Alex (A*A*A*), Wiktorja (A*A*AA), Nali (A*AAA), Ayub (AAAA), Amy (A*A*AB), Nada (A*AAB), Najma (AAAB), Nooha (A*AAB), Aman (AAAB), Jamie (AAAB), Maya (Di*Di*Di*A), Emil (Di*Di*Di*A), Deby (Di*Di*Di*B), Sherwin (Di*Di*Di*B), Adriana (AADi*Di).
