

14 December 2021

Dear Parent/Carer,

## Re: Start of Term Arrangements – January 2022

In line with government guidance and in order to protect our school and wider community, all students will receive one on-site lateral flow device (LFD) test on their return to school in January. We will therefore need to stagger the return to school. Students will not have lessons on Tuesday, 4 January 2022, or the day that they come in for their LFD test. Work will be set online for students who are at home on Wednesday, 5 or Thursday, 6 January as detailed below.

Having tested most of the school in March and September 2021, we have an experienced team who will guide your child through the process in our Sports Hall which will be set up as a testing centre. Students will come into school, in school uniform, for their test and then go home. If the test is positive, we will contact you directly, however, we will not contact you if the test is negative. The results of all tests are uploaded to the NHS. Parents/carers will receive a text or email from the NHS, to confirm the result of the test. This will be sent to the contact details as provided in the consent form.

If you completed the consent form indicating whether or not you gave consent for LFD testing in either March or September 2021, you do not need to take any further action. If you have not yet completed the consent form, or wish to change your response, please do so by using the following link: <https://www.surveymonkey.co.uk/r/bhs-covid-testing-students>.

### Tuesday, 4 January 2022

#### Testing for Years 12 and 13 by appointment (come in, test, then go home)
